Research Paper Outline

- **Introduction**
 - Thesis statement.
 - Purpose of research paper.
- **Body**
 - Strong argument.
 - Stronger argument.
 - Strongest argument.
- **Conclusion**
 - Summary of arguments.

Thesis: 1-2 sentences. Address what exactly will be discussed throughout the essay.

Find an interesting way to hook the reader! Also, include any necessary background information regarding topic.

Instructor will let you know about how many body paragraphs they want. Each body paragraph should explain one of the points made in the thesis.

Tie everything together and emphasize why the topic is important. Avoid simply restating the thesis, but be sure to wrap up all the information that has been discussed.
