

Internships for Course Credit in the Department of Food & Animal Sciences

Students must:

Obtain advisor's approval for enrollment in FAS 405, FAS 491 or FAS 605

Submit internship documentation (acceptance letter for internship)

Complete online Internship Opportunity Report (<http://tinyurl.com/o5krbj4>)

Complete a minimum of 10 hrs per week (40 hrs/month) for a minimum of 2.5 months (total of 100 hrs)

Maintain contact with course instructor (every two weeks)

Provide a written report (5 pages minimum) AND a presentation (oral or poster) as part of the course requirements

Mentors must:

Submit an internship opportunity or acceptance letter to the intern or to the Department

Complete the online form at the completion of the internships

Advisor must:

Approve of the student's opportunity prior to approving of course enrollment

While this is a course requirement, Alabama A&M University assumes no liability for loss or damage to person or personal property while participating in internship opportunities.

To qualify as an internship opportunity, it does not have to be a paid position and must begin after May 1, 2015.
